## Dolomites Val Badia Hiking - Italy

### Dolomites Val Badia Hiking

8 days, PRICE FROM € 874

The **Val Badia** will astonish you with its breath-taking landscapes on this quintessential **Dolomite walking tour**. It's a beautiful area, characterised by a well-assorted mix of Italian, German and Ladin cultures - **with a scenery slightly less dramatic than other areas of the Dolomites**, greener, softer, which some find more welcoming, soothing, serene.

This unique part of Italy boasts an exceptional cuisine, a rich variety of wildlife, such as the distinctive **marmot and chamois**, and lovely spring **flowers blooming in thousands**, including prized orchids, lilies and monkshoods. Leave your worries behind as you walk to the gentle sound of singing birds: **this is a place where mountains embrace you**.

## Route

Arrive in the mountainside village of **La Valle**, or Wengen in German, go for a stroll to soak in the extraordinarily beautiful and peaceful surroundings and marvel at the unique language that you will hear spoken, as La Valle has a vast number of Ladinic speakers. Proceeding across stretches of forest and wide pastures, you will have exceptional views including the majestic rock faces of the **Sas Dalesc Desc**, the **Sas Dales Nu** and the **Ju de Sant Antone**.
