St.Francis Way: Stage 5, Spoleto to Rieti - Italy

St.Francis Way: Stage 5, Spoleto to Rieti

7 days, price from € 648

The historic path from **Spoleto** to **Rieti** takes you on the footsteps of St. Francis, the man that 800 years ago decided to embrace poverty, living in close contact with the animals and leading an errant life, trying to bring joy in other people's lives.

You will be able to feel his presence as you wander through the **magnificent countryside**, walking through forests, fields, vineyards and olive groves, with **always a medieval town on a hill in sight**: the villages you visit on the way have maintained their own identity and it looks like the time has stood still.

Last, but not least, this part of Italy is worldwide known for the **endless variety of the local food**, that will put your taste buds in heaven.

The Via Franciscana is mostly on so called **Strade Bianche**, gravel roads that meander through the hills. Further you walk along forest paths and cart tracks through fields. In near villages and towns tarmac roads are unavoidable. Because the route passes through hilly terrain, you must consider that you will climb an occasional height.

Day 1 Arrive in Spoleto

Arrive in Spoleto, check in at the hotel and then you'll be able to recite your favorite poem in the Roman theatre, let the simple beauty of the San Salvatore Basilica enchant you, or celebrate the beginning of your journey with a nice dinner: the local pride is the black truffle, to be enjoyed on a bruschetta, or powdered on an omelette.

Day 2 From Spoleto to Ceselli, 15 km

Today's walk is quite challenging, but it is definitely worth it: you walk on well beaten paths along an extremely panoramic itinerary, passing an ancient water mill and the Franciscan Convent of Monteluco, immersed in the shady Umbrian woods.

Distance: 15 km

Elevation gain: +646/-775 m

Day 3 From Ceselli to Arrone, 15 km

Today you walk along the Nera river and through several enchanting hamlets: from Ferentillo (famous for its mummies!) to Arrone, surrounded by ancient stone walls and surmounted by an imposing castle. A really beautiful itinerary, accompanied by the view of the mountain peaks surrounding the cultivated fields like a crown.

Distance: 15 km

Elevation gain: +169/-209 m

Day 4 From Arrone to Pediluco, 13 km

Today's walk holds several surprises of rare beauty: from the typical hamlets of the Valnerina Valley to the Marmore waterfall, among the highest in Europe and immersed in a lovely natural park. And finally, the Pediluco Lake, source of awe and inspiration for artists and poets.

Distance: 13 km

Elevation gain: +328/-185 m

Day 5 Walk from Pediluco to Poggio Bustone, 19 km

Another great panoramic walk through woods and secondary roads: among the great views you can enjoy the hamlet of Labro, with its medieval houses perched on a hill, and the rugged peaks of the Appennine Mountains.

Distance: 19 km

Elevation gain: +890/-549 m

Day 6 Walk from Poggio Bustone to Rieti, 12 km

Your final walk takes you in the North of Lazio, towards your final destination: along your way you find the village of Cantalice, developing vertically on the side of a hill, and the Sanctuary "della Foresta", where you can

immerse yourself in the peaceful atmosphere and admire the beautiful frescoes before heading to Rieti via transfer.

Distance: 12 km

Elevation gain: +395/-594 m
